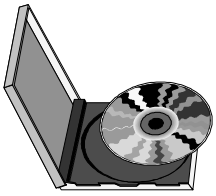
INFORMATION MADNESS!

YOU CAN MAKE THOUSANDS OF $ $ $ $ $ $ $ SELLING INFORMATION!



Information is selling like mad! Why do you think there are so many people coming on line? They're all looking for information! They all want to know something the other guy doesn't! Now YOU can give it to them. That's where these handy reports come in. You can bundle up a few at a time and sell them off bit by bit. Or you could sell off the whole mother load for a quick 100% profit - the bottom line is - you set the price! Even if you're not interested in reselling them, wait 'till you see them! This INFORMATION CD is packed with all kinds of precious information. From "how to" reports, to "actual legal forms" you can use in your day- to- day operation.

YOU'VE SEEN OTHERS ADVERTISE AND SELL THIS CD FOR $100.00. NOW YOU CAN PURCHASE THE SAME "1700 HOW-TO & MONEY MAKING REPORTS CD" FOR ONLY $10.00.

Here's a great tip: Try posting a few of these reports on your web site with a catchy headline like, "How To Borrow Money Interest-free", then register your page with the search engines. Within a couple of weeks you'll be getting all kinds of new visitors to your site! This REALLY works! There are over 1700 different titles you can use. Have you seen those other web sites selling these reports for $100.00 and more? Mind you the information is good, but $10.00!!!

This is a complete, turn-key business on a CD. Not only does this CD contain 1700 Reports, Books, E-books, and Manuals, you have complete copying and replication rights. Simply copy the CD and resell it to others (we will give you a source to buy copied CDs for cheap). Now you can own the right to publish ALL of these publications. Even if you can't write yourself, even if you don't have a creative bone in your entire body, you could make a fortune selling 'How-To' information by mail.

There are many people making BIG money selling information by mail order and in every case, these publishers are the PRIME SOURCE for the information products they sell! In fact, many people consider that selling information by mail is the 'ultimate' business. Perhaps it's because of the following benefits. The business has very low start-up costs -- anyone can manage to scrape up enough to get started in it! This business offers high profits and very low risks -- this means more money in your pocket!

There is no need to maintain inventory -- just print the products as you get orders. Information products are easy and inexpensive to ship to your customers. You can run your business part-time and still make lots of money! You can work out of your home. Owning this CD gives you two advantages: First, you can use the wealth of 'how-to' information on the giant CD ROM for your own benefit. And secondly, you can **market the information on the CD and KEEP ALL THE PROFITS!!!**

It's never been easier to get into the publishing business where so many others have made money.
