

**IF YOU ARE NOT ACCEPTING ONLINE PAYMENTS IN YOUR WEBSITE, YOU ARE LOOSING THOUSANDS OF \$\$\$ IN SALES EVERY DAY...! UNCOVER THE SECRET SOURCES THAT PROCESS CREDIT CARD AND OTHER TYPES OF ONLINE PAYMENTS WITHOUT A MERCHANT ACCOUNT...**

Dear Friend, Associate or Entrepreneur!

With today's cutthroat competition, by not having Credit Card Accepting Facility you are bound to loose thousands of dollars in sales Daily! In order to be able to market your products successfully over the Internet, you must have the capacity to accept Credit Cards online, at your SITE. If you don't provide this facility, simply you are loosing up to 85% of sales daily!

People from various countries come online to buy merchandise due its ease and swiftness. A buyer visits your website, read its contents, satisfied with the product description and the next thing he looks for is the VISA, MASTER CARD or AMERICAN EXPRESS sign or a dialog box that will take him to a location where the buyer could pay online to Order the Product. If the buyer does not find any of those he gets upset and go searching for a different site with such facilities. You will never see that buyer again. That is 100% guaranteed!

As per a survey, today more than 95% of all products bought online are paid with a Credit Card or Online Cheque. If your site has the provision to accept Credit Cards, your integrity with your customers will improve greatly. Meaning, any small or individually operated business that has the facility to accept Credit Cards at their web site will always be regarded as a professional, successful and reliable site. That is the general perception among all Networkers.

Until recently, for any small or individual business to accept Credit Cards at your site, you must have a merchant account with a major Bank. If you are living outside the West or Europe it is very difficult to obtain a merchant account from a Western or European Bank since those banks will provide the facility only to the customers who live in those regions.
