Dear Friend, Associate or Entrepreneur!

No other business opportunity has produced such instantaneous success to enterprising individuals and companies for so little cost and effort as the Internet. The power and the potential of this new phenomenon is simply beyond perception. The Internet is providing an extraordinary medium to reach millions of business opportunity seekers worldwide and it is growing at over 1,000,000 new online users each month. Add to this the power of e-mails and thousands of bulletin boards with their business opportunity hungry individuals - you could be on your way to own your own multi million \$\$ business.

On the Internet, you do not have to buy a mailing list and pay for printing and postage. Nor do you have to buy expensive advertising in a magazine to get your word out in the market. There's no BIG investment in a franchise or huge, up-front business start-up costs.

With more than 100 million users worldwide - many of whom are new and just entering the net world seeking opportunities to earn extra income - the Internet is the best place to entrepreneurs who wish to advertise their product and earn tremendous amounts of responses and buyers especially those who are on a shoe-string budget.

Post an Income Opportunity or Mail Order Business Book on an appropriate Internet advertising media, and without any further effort or cost, your business opportunity offer is zapped automatically to millions of opportunity seekers in a fraction of a second. Where else can you get this kind of marketing speed? These days, everyone from giant multinational firms, mail order operators, small business owners, MLM operators and business opportunity seekers are getting online on a daily basis.

Who's Making Money on the Internet? For a small investment, the Internet offers enormous profit-making potential for your business. This window opportunity may not stay open for very long time. As more and more people become online, competition will be severe. An early entrance and knowing the best source to advertise your product is most important. The Internet, e-mail, BBS, FFA and Viral Marketing: these powerful electronic marketing tools are already making countless people very, very rich. Internet is where fortunes can be made with a good product and effective advertising.

This 'new' Guide will show you where to place Free Full Page or Classified Advertisements of your product or opportunity that can be seen by millions of business opportunity seekers worldwide 24 hours a day, 30 days a month and 365 days a year absolutely FREE and get tremendous exposure for your product or opportunity.

The Internet will create thousands of new MILLIONAIRES all over the world. Don't miss out on the opportunity of a lifetime to start building your own profits through this global medium!
